By signing this Lofts parking contract and accepting a Lofts parking permit, I agree to abide by the current and any future updates contained in the Parking Fast Facts pamphlet or the website [www.gsu.edu/parking](http://www.gsu.edu/parking). The current parking permit entitles me (the holder) to park one vehicle in designated parking space within the Lofts parking garage. The Lofts permit is not a valid parking permit for any additional Georgia State University parking areas. I also understand that the monthly parking fee of Eight-five dollars (\$85) is due by the first of each month and a late fee of Ten dollars (\$10) will automatically be added to the monthly fee if payment is not received by the 10<sup>th</sup> of the month. Parking permit may also be deactivated for non-payment after the 10<sup>th</sup> of each month. **I understand that monthly parking fees will continue each month until the parking permit is returned to Auxiliary and Support Services Office. At the beginning of each semester new contracts are required to be signed by permit holder, contracts are still valid and payment due by permit holder in the event contract not signed.** All Lofts and campus parking permits are the property of the Georgia State University and may not be resold or transferred to another individual. I agree as a current Lofts parking garage permit holder or registered vehicle owner that I am responsible for all parking violations associated with that vehicle or parking permit. Parking permits must be returned to Auxiliary and Support Services upon termination of your Lofts or Freshman Hall tenant lease. Lost, stolen, damaged, or permits not returned will be assessed \$25 fee. **THERE IS NO VISITOR PARKING PROVIDED IN THE LOFTS PARKING GARAGE AT ANYTIME.**
