We have reviewed the results of your 2008-2009 Free Application for Federal Student Aid (FAFSA). However, we cannot process your application due to a discrepancy regarding your academic status.

On your FAFSA you indicated that you will be a graduate/professional student for the 2008- 2009 academic year. Because you indicated that you will be a graduate student, your application was processed as an independent student. However, our records do not indicate that you have been admitted into a graduate program at Georgia State University for the 2008- 2009 academic year.

In order to resolve this discrepancy, you must complete the bottom of this form and indicate to us what your correct status will be so that we may continue the processing of your application. If you do not return this form, your application will not be processed.

CHECK THE BOX BELOW THAT APPLIES TO YOU:

- Yes, I will be a graduate student during the 2008- 2009 academic year.** You must provide a copy of your official acceptance into a graduate program at Georgia State University.
- No, I will not be a graduate student during the 2008 -2009 academic year.** We will electronically submit a correction to the Federal Processing Center to change your dependency status. If your parents did not complete the FAFSA, it must be updated with your parents' 2007 tax information and parental signature. This update can be done online at www.fafsa.ed.gov We cannot continue processing your application until this information is received
