We have reviewed the results of your 2007 - 2008 Free Application for Federal Student Aid (**FAFSA**). However, we cannot continue to process your file due to a discrepancy regarding your dependency status.

When you completed your application, you indicated that both your parents are deceased or that you are/were an orphan or ward/dependent of the court for the 2007 - 2008 academic year. Because of that indication, your application was processed as an independent student. However, we do not have documentation on file verifying such status.

In order to resolve this discrepancy, you must complete the bottom of this form and indicate to us what your correct status will be so that we may continue the processing of your file. If you do not return this form, your file will not be processed.

CHECK THE BOX BELOW THAT APPLIES TO YOU:

- Yes, both my parents are deceased: Attach documentation.**
- Yes, I am or was a ward/dependent of the court: Attach a copy of the court document.**

- No, both my parents are not deceased**
- No, I am not nor was I a ward/dependent of the court**

If your answer is **NO** we will electronically submit a correction to the Federal Processing Center to change your dependency status on your FAFSA. In addition to this change, you must update your 2007-2008 FAFSA with your parents' 2006 information and parental signature. We cannot continue processing your file until this information is received.
