I. Intellisync Mobile Suite Client Installation

1. From your hand held device, open a Web browser and login to the Catchat wireless network, if you are on Campus, using your CampusID and password.
2. Go to <http://gw-mobile.gsu.edu/install>.
3. At the <INTELLISYNC MOBILE SUITE SETUP> screen, enter your <GROUPWISE USER ID> w/o "@langate.gsu.edu" and your <GROUPWISE PASSWORD> and click <NEXT>.
4. Complete the <ACCOUNT BASICS> with the correct region time, country, and enter zip code and click <NEXT>.
5. Select <INSTALL SOFTWARE: __ __>.

6. At the download window, check <OPEN FILE AFTER DOWNLOAD> and click <YES>.
7. After the download and installation is completed, enter your <GROUPWISE USER ID> w/o "@langate.gsu.edu" and your <GROUPWISE> password and click <OK> to initiate the initial synchronization.
8. Select <MENU>PUSH/READYSYNC> setup and make sure the <LIMIT PUSH/READYSYNC> time window is set to <EVERYDAY FROM 12:00AM - 12:00AM> and all check boxes are checked. If you want to turn on <NOTIFICATION>, click on <SETTINGS>NEXT> and choose your options then click <OK>.
9. To change sync settings, select <MENU>SYNC SETTINGS>. Select which items you want to sync then click <OK>.
10. To access the Intellisync Mobile Suite Menu to change your client's configuration, from your device, click on the <INTELLISYNC MOBILE SUITE>icon  and select <SHOW MAIN SCREEN> or go to your devices' <PROGRAMS FOLDER> and select <INTELLISYNC>.
11. 'End Solution'

II. Optional - Device Registration and Account Configurations. This option allows you to register your device and modify the default synchronization settings.

1. From your PC or laptop, open a browser and go to <http://gw-mobile.gsu.edu>
2. Enter your <GROUPWISE USER ID> w/o "@langate.gsu.edu" and your <GROUPWISE> password and click <GO>.
3. Fill out the registration form and click <NEXT>.
4. Select your hand held device and click <NEXT>.
5. Scroll to the bottom of the page and choose <NO THANKS. PLEASE INSTALL THROUGH MY PC> and click <NEXT>.
6. Click on <DOWNLOAD COMPLETE>.
7. Personalize the synchronization between your <GROUPWISE> account and your <MOBILE SUITE> account by selecting desired categories and then click <SUBMIT>.

8. Once you're finished click <DONE>.
9. Your <GROUPWISE MOBILE SUITE> mailbox, which is synced with your <GROUPWISE> client mailbox, will appear. Data in your <GROUPWISE MOBILE SUITE> mailbox will be pushed down to your handheld device. Changes made on your handheld device, <GROUPWISE MOBILE SUITE> or <GROUPWISE> client will be synched.
10. 'End Solution'
