### **SAIL Program**

#### **Floors 11-14 (University Lofts)**

The SAIL Program is designed to combine services, programs, and curricular and co-curricular activities that foster a solid transition for sophomore students and their future educational and career aspirations. SAIL offers a foundation to explore the specific academic experiences and opportunities GA State has to offer which addresses the needs of sophomores and provide appropriate services and programs to help ensure their success as they transition from their first year as a student at Georgia State University. **For More detail visit**
