### **Panther Cares Program**

All Georgia State student organizations can now organize their own service projects! Through our new Panther Cares program, groups can submit a project to be approved with our office. We will even help you implement it. Each month, any student organization can submit a proposal for review. Organizations must submit a proposal to our office at least one month in advance of the community service event/project. The Office of Civic Engagement will select the best proposal submitted for the month and will assist with the service event in areas such as: homelessness, literacy, healthcare, community building, environmental issues, and caring for the elderly.

To better serve you, we ask that you provide us with details about your project by completing the Service Project Proposal form below.

### **Service Project Proposal Form**

#### **Contact Information**

Student Organization \_\_\_\_\_

Project Coordinator/Contact Person \_\_\_\_\_

Phone Number \_\_\_\_\_ Email \_\_\_\_\_

#### **Project Information**

Date & Time of Service Project \_\_\_\_\_
