

## WASTE DISPOSAL HAZARDOUS CHEMICAL WASTE PICK-UP PROCEDURES

The following procedure refers to hazardous **chemical** waste only (not biological/medical waste).

1. Keep your hazardous waste containers clean, in good condition, and make sure they are securely closed at all times.
2. Store your hazardous waste containers in secondary containment such as trays to minimize opportunities for a spill.
3. Make sure your hazardous waste containers are labeled with a yellow hazardous waste sticker that details the contents using full chemical names (no abbreviations) and percentages, or using a GSU waste stream name.
4. When your hazardous waste containers are full, Create a Pickup Worksheet at <https://chematix.gsu.edu/Chematix/> and submit your request through Chematix. You may also e-mail [eprograms@gsu.edu](mailto:eprograms@gsu.edu)
5. If you require replacement supplies indicate this on your online Environmental Work Request.
6. If you require supplies at any time, without a waste pick-up e-mail [eprograms@gsu.edu](mailto:eprograms@gsu.edu)
7. A list of supplies is available for review online at [http://www.gsu.edu/research/lab\\_safety\\_supplies.html](http://www.gsu.edu/research/lab_safety_supplies.html)
8. Allow 72 hours for the waste pick-up or supply delivery.

For questions or concerns contact the Environmental Program Manager: 3-3551, or a Chemical Safety Specialist: 3-3535 or 3-3568

Keep your Hazardous Waste containers clean, securely closed, in good condition and appropriately labeled.

Keep your Hazardous Waste Containers in secondary containment, such as trays, to minimize spill hazard.

<b>HAZARDOUS WASTE</b>		SRM ID#
FEDERAL LAWS PROHIBIT IMPROPER DISPOSAL		
CONTENTS:		
Water	25%	
Methanol	65%	
Acetic Acid	10%	
GEORGIA STATE UNIVERSITY		EPA ID# GAD073425951
SATELLITE LOCATION	Kell Hall 7C	ACCUMULATION START DATE

Keep all your Hazardous Waste containers labeled with this label, detailing contents with full chemical names and percent compositions.
